that old feeling _____

ALTHOUGH I'VE BEEN PLAYING MUSIC SINCE I WAS 11 YEARS OLD, MY LOVE FOR EARLY 20TH CENTURY POPULAR MUSIC ONLY TOOK HOLD OF ME ABOUT 4 YEARS AGO. I REMEMBER THE EXACT MOMENT. I WAS WATCHING AN EARLY BETTY HUTTON MOVIE — A PSEUDO COMEDY/MUSICAL FILM CALLED "THE STORK CLUB." I WAS SO AMAZED AT BETTY'S CHARM, BUBBLY PERSONALITY, THE SONGS SHE SANG, AND OF COURSE, HER UNMATCHED PERFORMING TALENTS. SO, I EXCITEDLY EMBARKED ON MY MAGICAL, MUSICAL JOURNEY TO LEARN, STUDY, AND PLAY THE TIMELESS AND WONDERFUL MELODIES OF BETTY'S ERA. NEEDLESS TO SAY, I WAS TOTALLY HOOKED. I HOPE YOU WILL BE TOO.

This CD is dedicated to the gifted composers, lyricists, and performers of that era. While I can never hope to do them the justice they deserve, I so hope the performances on this CD will give you a new or renewed appreciation for why the American Songbook, and the performers who originally performed them, are among America's greatest and most valued treasures.

Many, many thanks to the incredible musicians who added their unique sparkle to this project: Armand Boatman, Todd Chuba, Jerry Donato, Bill Moio, and Tom Williams. I'm so, so very honored (and flattered) to have had the opportunity to work with you. Also, thanks to Clarke Rigsby and Kyle Harris for your expertise and patience in the recording and mixing of this CD. Thanks Dave Shirk, of Sonorous Mastering, for adding the magical-mastering sparkle. Many thanks to you too Don Barnes for your incredible design contribution to the look and feel of this CD. You guys are all great.
